Education

West Los Angeles College | Computer Science Major   August 2016 - Present

Cumulative GPA: 3.97
Achievements: Full-Time Dean's Honor List × 4, President's Honors, President of Software Engineering Club, Environmental Affairs Senator

Experience

Crowne Plaza LAX | Houseman | PBX Operator   August 2016 - October 2017

I worked as a Houseman at Crowne Plaza LAX for 6 months before being promoted to PBX Operator. My duties as a Houseman included cleaning, sanitizing, and organizing rooms. My duties as a PBX Operator included answering phone calls, organizing paperwork, and checking in guests.

LACCD | Student Tutor   August 2017 - Present

I work with a small team of Student Tutors at West Los Angeles College to ensure that students perform to the best of their ability in their classes. This means helping students with their homework, developing study plans, leading study groups, and giving small lectures.

DS Scientific | Application Beta Tester   January 2019 - Present

I test different applications of a small software product used for visualizing data. I use Python with pandas and matplotlib to build graphs and compare them with the results of the software product.

Projects

Title	Description	Tools
Reversi	An implementation of the board game Reversi that can be played in the terminal or with a GUI.	Git, Haskell, mtl, transformers, QuickCheck
